Re: Open Records Act Request

Dear Mr. King:

I am in receipt of your Open Records Act received via email on July 30, 2009.

We have identified documents to be copied which are responsive to your request. There are approximately 375 pages which will take 8 administrative hours to identify and copy. The total fee for this request is $375 \times \$0.25 = \93.75 plus 8 administrative hours at \$10 per hour. Therefore the total amount required for this request is \$173.75. These documents will be available for mailing on August 15, 2009. Upon receipts of these funds I will send out the documents.

As I have just returned from emergency surgery, I am still working on identifying the number of pages and administrative hours required to respond to your second Open Records Act request dated July 28, 2009.

Should you have any further questions or concerns, please feel free to contact me.

Sincerely,

Kristi M. Carman
General Counsel
